

What can I do with a major in...?

Teacher Education

Associate in Arts
School of Education

With a two-year degree in Teacher Education students can become an educational assistant in a public school setting.

Students with a high school diploma or G.E.D. who take EDUC 109: Methods & Materials for the Public School Substitute (1 credit) can become certified public school substitutes.

Public school teachers must have at least a bachelor's degree, complete an approved teacher education program, and be licensed.
