

# Whirlwind Tour of Web 2.0 Technologies

**FREE** public lecture on emerging education technologies  
presented by Bethany Bovard

**Oct. 14, 4 to 6 p.m.**  
**Room 216**  
**SFCC campus**  
**6401 Richards Ave.**

**PARTICIPANTS WILL LEARN:**

The basics of Web 2.0 and how to introduce it within educational goals.  
Confidence in using Web 2.0 technology.  
Tips and strategies for using Web 2.0 tools successfully.

The lecture is presented by Bethany Bovard, a cutting-edge New Mexico State University educator and Web-education expert. Bovard will teach area educators how to improve communication skills by utilizing Web 2.0 technologies, which include online audio, video, animation and social networking tools.
