SFCC Nursing Program Applicant Instructions

- Apply to SFCC
- Declare AAS Allied Health - This major is designated to be pre-nursing. Only students who are accepted into the nursing program can declare the Nursing degree.
- Have official transcripts from all post-secondary institutions you have attended sent to the Santa Fe Community College Registrar. These transcripts must be sent to the registrar. records@sfcc.edu or ATTN: Registrar. 6401 Richards Ave, Santa Fe, NM 87508
- Schedule an appointment to meet with a nursing advisor. During this meeting official transcripts will be reviewed to ensure the prerequisites to apply to the SFCC Nursing Program are met and a degree plan will be created.
- Schedule HESI test dates. If HESI is taken outside SFCC, we require official HESI results sent from Elsevier directly to our registrar’s office, NO EXCEPTIONS.
- Submit a completed Nursing CAS application. Go to: https://nursingcas.liaisoncas.com/applicant-ux/#/login
- Apply to the SFCC Nursing Program
  Students must have completed the following classes to be eligible to begin the ADN nursing program:
  1. Anatomy and Physiology 1
  2. Anatomy and Physiology 2
  3. Microbiology
  4. Pathophysiology 1 (SFCC offers a condensed Pathophysiology 1 & 2 class, HLCR 232)
  5. Statistics
- Prepare your letter requesting admission to the Nursing Program. This letter is to be included as part of your Nursing CAS application.
- Students must be certified in BLS for Healthcare Providers (American Heart Association only) to be eligible to begin clinical rotations
- Students must be up to date on vaccinations to be eligible to begin clinical rotations
  1. PPD (TB skin test) If history of positive PPD: chest x-ray report every 5 years.
