## Canvas Student Orientation

### Welcome Online Students

You are about to use Canvas as tool to succeed in your studies at Santa Fe Community College . Before you get started, we'd like to ensure that you have all the information you'll need to be successful in your online course.

This short orientation should teach you all the important things to know about using Canvas in your class. Please be sure you understand all the material before your course begins. And know that this course is available to you at any time if you need a refresher.

### Let's Get Started

In the menu on the left, select Modules. You may take the course in the order it is listed, or access any part of it to focus on what you need. Please be sure to take the survey at the bottom of the page so we can better serve you.
